

## **Identità Affamate**

Identità Affamate returns to Milan to participate in the Taste of Milan 2012 event, introducing the world premier reality performance of chef Filippo Gozzoli.

Filippo Gozzoli has agreed to cook together with a member of the general public of Milan in his or her own home.

Filippo Gozzoli is the first chef to be awarded by Identità Affamate three pitchforks / tridents.

Identità Affamate challenges you :

contribute to the project. Hungry Identities will give:

**1 Pitchfork / Tridents** to the chef who will accept to offer a taste of his/her own cuisine to a member of the public who could normally never afford to sit at a "starred" table;

**2 Pitchforks / Tridents** to the chef who will accept to spoon feed that member of the public;

**3 Pitchforks / Tridents** to the chef who will accept to cook with the member of the public;
